

Amara Okoye

Data Analyst · Career Changer · Manchester, United Kingdom

Six years in operations management, retrained into analytics. Portfolio projects only; no analytics role yet.

Northgate Care · Operations Manager · 2019-2025

Healthcare services

- Managed rota and capacity planning for 90 staff, in Excel.
- Built the reporting spreadsheets the regional team still uses.

Independent projects · 2025-2026

Portfolio

- Analysed five years of open NHS waiting-list data; wrote it up in a public repository with SQL and Python.
- Completed a 16-week data analytics bootcamp.

EDUCATION

Data Analytics Bootcamp, 2025

BA History, University of Leeds

SKILLS

- SQL (bootcamp level)
- Python: pandas (self-taught)
- Excel (advanced)
- Tableau Public
